TREAT YOUR PASSENGERS TO FIRST CLASS

Click and Play*

The Click and Play iPad holder is part of the Click and Go range. This removable tablet holder attachment can easily be positioned at multiple angles for in-cabin comfort and rear entertainment.

\$350

*Available for iPad Air®, iPad mini™ 1-3, iPad® 2-4 and Samsung® 10.1"

CLICK AND GO

The Click and Go range is a multi-purpose seat-back system for second row passengers. The versatile Click and Go Base attaches between the headrest mountings and further attachments can be added to hold tablets, bags and shirts or jackets. Each attachment is sold separately. The base can be easily removed when not in use.

Click and Go – Base

The versatile Click and Go Base attaches between the headrest mountings and further attachments can be added to hold tablets, bags and shirts or jackets. Each attachment is sold separately. The base can be easily removed when not in use.

\$115

Click and Hang

This removable coat hanger allows shirts or jackets to be kept crease-free while transporting. Also includes an integral hook for use outside the vehicle.

\$175

Click and Hook

This Universal hook creates extra storage space for items to be hung, especially useful for handbags or groceries.

\$115

CREATURE COMFORTS

PET PRODUCTS

Practical pet pack accessories designed especially for your Range Rover Sport.

Spill Resistant Water Bowl

Providing a convenient solution for use in transit or outside of the vehicle, the spill resistant water bowl incorporates a clever design feature which redirects water towards the centre of the bowl when the water is disturbed, making it ideal for owners who regularly carry dogs or other pets in their vehicle. The bowl retains an open area allowing your pet to take a drink at all times, has an anti-slip rubber base and also a retention strap for securing it to the loadspace 'D' loop. The bowl has a spill resistant capacity of 350ml.

\$100

Foldable Pet Carrier

The foldable pet carrier provides a safe, comfortable environment for the transportation of pets, making it ideal for owners who regularly carry dogs or other pets in the loadspace area of their vehicle. Manufactured from a durable 600D nylon the foldable pet carrier has a lightweight metal frame and includes a quilted fabric cushion, net windows and a spring loaded locking mechanism which snaps into place when required. Reinforced carry handles and corner pieces provide a premium finish, with a side pocket providing a convenient stowage option for other pet accessories or small items. Height 52cm, width 52cm, length 72cm.

\$600

PET PRODUCTS

Quilted Loadspace Liner

This tailored liner covers and protects all the carpeted areas of the loadspace including the floor, second row seat backs and loadspace side walls. Manufactured from a soft quilted fabric, with an integral rubber base and detachable bumper protector it is easy to wipe clean, making it ideal for owners who regularly carry dogs or other pets in the loadspace area of their vehicle. For vehicles fitted with the versatile loadspace floor, this liner is only compatible when the floor is in the flat position.

\$950

Portable Rinse System

Designed to be used outside the vehicle, the portable rinse system provides a convenient solution for rinsing outdoor equipment such as muddy boots, bikes and wetsuits before loading. Depending on the setting selected, this portable rinse system will deliver a minimum of two minutes of continuous water flow through a shower hose style attachment. Without the need for batteries or external power, the system utilizes pressure captured when filling from a tap, and an integrated hand pump allows the user to pressurize if filling the water tank away from home. Featuring a Land Rover branded cover and handle, with an additional storage bag it can be secured to the loadspace 'D' loops during transit.

\$600

Pet Access Ramp

Designed with optimal dimensions and angle, the pet access ramp assists pets into the loadspace area without the owner having to lift them, making it ideal for owners who regularly carry dogs or other pets in the loadspace area of their vehicle. The ramp is suitable for use for pets up to 85kg and features aluminium side panels and a plastic centre section with a high-grip tread pattern. Rubber feet help to prevent the ramp slipping and retaining straps secure it to the loadspace 'D' loops, providing a lightweight but robust, practical solution. The ramp weighs 8kg and can be folded for stowage in the stowage bag provided. Height 11cm, width 41cm, length when open 193cm and length when closed 83cm. Large.

ENJOY EVERY SEASON IN STYLE

EXTERIOR STYLING

Deployable Side Steps

These smart, practical deployable side steps aid entry into and exit from the vehicle, as well as assisting access to the roof. Each side step features a brushed stainless steel finish, with laser etched Range Rover branding embossed into the black moulded rubber treadplate mat, and a black edged trim finish. Neatly stowed under the sills, the side steps automatically deploy as soon as the door is opened, or when activated by the key fob. They stow automatically when the door is closed. The deployable side steps are sensitive to obstructions and will not deploy in off-road or low range settings. Automatic mode can be overridden to allow access to the roof when the doors are closed. For SWB only. Not applicable for PHEV. Kit includes two black SWB deployable side steps, left side mounting bracket, right side mounting bracket, jacking points, module, module bracket and module and module bracket fixings. Fitting of side steps may affect the off-road capability of the vehicle.

SV-Dynamic	\$7,700
PHEV + PHEV SV-Dynamic	\$7,900

Fixed Side Steps

The fixed side steps aid entry into and exit from the vehicle, as well as assisting access to the roof. Each side step features a brushed stainless steel finish, with laser etched Range Rover branding embossed into the black moulded rubber treadplate mat, and a bright edged trim finish to complement the vehicle's exterior styling. For SWB only. Kit includes two bright SWB fixed side steps, left side mounting bracket, right side mounting bracket, jacking points and vehicle closure strip set. Fitting of side steps may affect the off-road capability of the vehicle.

Bright, Black & Black, SV-Dynamic	\$3,600

EXTERIOR PROTECTION

Mudflaps

Mudflaps are a popular upgrade for reducing spray and ensuring paintwork is protected from debris and dirt whilst complementing the vehicle's exterior styling. Supplied as a pair. Includes fitting kit.

Black Front Mudflaps: \$430

Black Front Mudflaps, SV Dynamic: \$430

Black Rear Mudflaps: \$430

INTERIOR STYLING & PROTECTION

Anti-Microbial Loadspace Rubber Mat

The loadspace synthetic rubber mat has been treated in a technical way to make it anti-bacterial and anti-fungal, this combination is known as 'antimicrobial'. This mat features Range Rover ingot branding, is waterproof and tailored specifically to protect the rear loadspace from muddy or wet items. For vehicles fitted with the versatile loadspace floor, this mat is compatible when the loadspace floor partition is in use.

\$350

Loadspace Partition Net

Convenient loadspace partition net provides a soft alternative to the loadspace partition. Helps protect passengers from stowed items in the loadspace area. The net fits to the loadspace 'D' loops and fixing points in the roof lining. The net is easily detachable when not required.

\$475

FULLY LOADED FROM ROOF TO REAR

TOWING & CHARGING

Towing Receiver Kit w/ Tow Hitch

Detachable square receiver for clean finish. Approved for up to 3,720kg maximum towing capacity and 350kg nose load. 3,000kg maximum towing capacity for PHEV. Not applicable for Range Rover Sport SV models. Towing electrics, fixings and recovery eye are included. Kit includes: towing receiver, towing harness, TRM module, M6 nuts and Black tow eye cover. Tow hitch not included and can be ordered separately. Towing electrics not compatible for caravans, trailers or lighting boards fitted with rear mounted LED lamp kits.

\$3,800

Public And Wall Box Charging Cable

The public and wall box charging cable provides an upgrade from the standard 'home charging' cable, helping to reduce the time required for charging. The five metre long, public and wall box cable can be used with a universal style A/C wall box (which does not feature a tethered cable), to provide a fast charging solution at home. Alternatively it is compatible with public charging points. When away from home, the cable can be stowed in the loadspace within the storage case supplied for the standard cable. For PHEV only. For public and wall box charging. Wall box requires qualified electrician installation. 'Everyday' domestic extension leads and market adaptors should never be used with any electric vehicle or charge cable. PLEASE NOTE: Charging times vary by market/territory, power supply and charging solution used. Charging solution fitment and availability may vary by market/territory – please consult your Land Rover Retailer for available solutions in your market.

\$500

CARRYING

Cross Bar Kit

Designed and engineered specifically for Range Rover, these fixed-point cross bars attach directly to four discreet mounting points within the panoramic roof, removing the need for roof rails. Manufactured from anodised aluminum for premium appearance, they are easy to fit with the torque control tool included. Lockable for enhanced security, they include a T-track design to facilitate installation and removal of roof carrying accessories. Material tested to withstand harsh environments including corrosion resistance. City Crash tested and ISO-PAS 11154 compliant. The maximum carrying capacity of the cross bars is 100kg. When fitted, the maximum load weight of cross bars is 93.4g. Cross bars and four cross bar catch brackets are included in the kit.

PRICE TO BE DETERMINED

Roof Box

Roof mounted storage box with sleek, aerodynamic design to help minimise drag and wind noise. Manufactured from premium materials for elegant appearance, with Gloss Black finish and durability in harsh environments. The dual-side opening feature allows the roof box to be opened from both sides for convenience. The power-click, quick-mount system with integrated torque indicator allows for fast and secure fitment using one hand only. The roof box is lockable for security. The central safety locking system ensures that the key can only be removed from the lock when all locking points are securely closed. The roof box is TUV approved and meets City Crash test requirements. External dimensions: 1,704mm long, 861mm wide, 448mm high. Volume 400 litres. Box weight 17.5kg. The maximum carrying capacity of the roof box is 75kg. Cross bars are required for fitment.

\$1,250

Ski and Snowboard Carrier

Designed to carry up to four pairs of skis or two snowboards, the ski and snowboard carrier incorporates extendable slider rails for easy loading and unloading. A rubber grip prevents scratching and damage to equipment. Locks the equipment to the carrier, and the carrier to the vehicle for enhanced security. When fitted, the maximum carrying capacity of the ski and snowboard carrier is 36kg. Cross bars are required for fitment.

\$700

Aqua Sports Carrier

Suitable for carrying a sailboard, canoe or kayak. Includes lockable multi-purpose holder to carry oars or paddles. Tilts to facilitate loading and unloading. Features lockable straps and rubber supports to maintain optimum weight distribution whilst protecting the equipment and vehicle from scratches and scuffs. The maximum carrying capacity of the aqua sports carrier is 45kg. Cross bars are required for fitment.

\$800

Roof Mounted Bike Carrier, Wheel Mounted

Mounts easily onto the cross bars, with quick-release wheel straps for convenient loading and unloading. Securely keeps the bike in place, with locks included for both bike to cycle carrier and cycle carrier to cross bars. Carries one bike per holder and a maximum of three carriers can be fitted. The maximum bike weight is 20kg per carrier. All bikes must be facing forwards and the width of the bike's handle bars may reduce the maximum capacity. Cross bars are required for fitment.

\$520

Consideration should always be given to vehicle's maximum roof carrying capacity to ensure this is not exceeded. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted. Some roof carrying accessories may restrict the opening of the vehicle's sliding sunroof when fitted. Care should be taken when opening the roof to avoid collision with any items fitted above the vehicle.

INTERIOR STYLING & PROTECTION

Anti-Microbial Deep Sided Floor Mats

Patterned, rubber footwell mat set helps provide protection from general dirt and has been treated in a technical way to make the mats anti-bacterial and anti-fungal, this combination is known as 'antimicrobial'. Manufactured from a recycled synthetic rubber, which provides extra stiffness and durability, these mats feature bright accent Range Rover ingot branding. Sold as a set of four.

\$400

Protective Second Row Seat Cover

Protects back of front seats, floor and second row seats from mud, dirt and wear and tear. Machine washable

\$520

FUNCTION & TECHNOLOGY

Dash Cam

The Land Rover dash cam records footage of driving events and incidents and is designed to integrate seamlessly into your vehicle's cabin and electrical system. Engineered to have low power consumption for extended use, the dash cam features full HD front and rear video cameras to capture and record driving events.

Key features:

- The front camera is removable with fixed viewing angle.
- The rear camera is fixed but with an adjustable viewing angle.
- G-sensors trigger recording in the event of an accident or heavy braking.
- Integrated radar system† enables recording when your parked vehicle is approached.
- Manual record option allows the user to record additional events that they witness.
- Onboard GPS enables optional speed and location data to be linked to the video files creating detailed records of each event.
- Includes 32GB SD card for storing recordings.
- Recordings can be accessed and controlled by the optional Apple or Android Smartphone apps or via a web browser.

Not compatible with windscreen sun shield. Only available on certain vehicles, please contact your Land Rover Authorized Retailer for more information. To preserve the 12V battery life it may be necessary to disable this feature on some vehicles.

\$1,300

CREATE YOUR OWN EXPERIENCE

FUNCTION & TECHNOLOGY

Seat Back Storage

Provides a convenient storage solution for the rear of the front seats with multiple compartments for storing small items.

\$200

Premium Seat Back Storage

Manufactured from the same premium leather offered on the vehicle, complemented with soft touch interior lining and magnetic button clasps. Provides a convenient storage solution for the rear of the front seats with multiple compartments for storing small items.

\$450

FUNCTION & TECHNOLOGY

Load Space Retention Net

Secure small items and luggage within the loadspace. Utilises loadspace tie-down points. Includes floor net and two ratchet straps which are approximately two metres long.

\$320

Centre Armrest Cooler/Warmer

Food and drinks cooler and warmer that acts as a rear centre armrest. With a leather-covered top, it is held in place by the centre seat belt and powered from the rear auxiliary socket. Ideal for long journeys with the family.

\$750

Electric Cool Bag

This cool bag is thermostatically temperature controlled, is powered by the 12 volt auxiliary socket and has an easy to clean interior surface. Height 380mm, length 380mm, width 220mm. Volume 14 litres.

\$650

Collapsible Organizer

Collapsible luggage organizer keeps items from shifting during transport. Can be easily folded away when not in use.
