## PET PRODUCTS

### **Foldable Pet Carrier**

The foldable pet carrier provides a safe, comfortable environment for the transportation of pets, making it ideal for owners who regularly carry dogs or other pets in the load space area of their vehicle. Manufactured from durable 600D nylon, the foldable pet carrier has a lightweight metal frame and includes a quilted fabric cushion, net windows and spring loaded locking mechanism that snaps into place when required. Windsor leather handles and corner pieces provide a premium finish and a side pocket provides a convenient storage option for other pet accessories or small items. Height 52 cm, width 52 cm, length 72 cm.

**\$600**

### **Portable Rinse System**

Designed to be used outside the vehicle, the portable rinse system provides a convenient solution for washing pets before loading or rinsing down other equipment from bikes to wetsuits. Depending on the setting selected, this portable rinse system will deliver a minimum of two minutes of continuous water flow through a shower hose-style attachment. Without the need for batteries or external power, the system utilizes pressure captured when filling from a tap, and an integrated hand pump allows the user to pressurize if filling the water tank away from home. Featuring a Land Rover branded cover and handle, with an additional storage bag, it can be secured to the load space 'D' loops during transit, making it ideal for owners who regularly carry dogs or other pets in the load space area of their vehicle.
